

1.23	Writing Letter for Admission to an Intermediate Care Facility for People with Intellectual Disability (ICF/ID)	Page 1 of 1
Issue date: 12/99	Revision date: n/a	Division Staff
Form(s): None		

Procedure:

1. All individuals who want services from either the **Division** of Services for People with Disabilities (DSPD) or an Intermediate Care Facility [for People with] Intellectual Disabilities and Related Conditions (ICF/ID) must apply through the local **Division of Services of People with Disabilities** office. The intake worker will give every applicant a *Guide to Services for People with Disabilities* and will also, using the information provided, determine eligibility.
2. If the individual chooses services in the community-based system, their name will be added to the **Region** waiting list.
3. If the individual chooses services in an Intermediate Care Facility [for People with] Intellectual Disabilities and Related Conditions (ICF/ID), the **Region** Director must write a letter that validates the individual's eligibility for services. The individual must present the letter to the **ICF/ID** of their choice prior to admission.*
4. The **Division of Services for People with Disabilities** is not permitted to place children under eleven in out-of-home settings (other than into professional parent homes) unless there is a recommendation from the Emergency Services Management Committee to the **Division** Director who, if in agreement, will issue a written finding permitting such a placement. Any **ICF/ID's** who admit children where this process is not followed cannot be paid by the Department of Health, **Division** of Health Care Financing (**Medicaid**).**
