

The Division of Services for People with Disabilities (DSPD) is looking for individuals who are currently receiving DSPD services to be a member of our **Disability Advisory Council**.

The Disability Advisory Council provides opportunities and support for people with disabilities to lead the lives they choose. Members bring concerns from the disability community to the meeting, share their thoughts on different topics, and regularly take part in meetings. This is a great way to get involved in your community.

There are four (4) meetings each year and each meeting lasts about two (2) hours. If you are not able to travel to Salt Lake City, we will offer telephone or internet options to help you participate.

If you are interested, please apply at the following link by clicking “Apply” in the top right-hand corner:
