CREATING YOUR GOALS

What is person-centered planning?

• You and your support coordinator, and anyone else you want to join you, will create a plan.
• A person-centered plan helps you live the life that you want.
• The plan explains how to support your goals by using your:
  - strengths
  - relationships
  - community
  - employment
  - community resources
• You can change your mind at anytime.
• Talk to your caseworker to make changes to your plan.
