Purpose

To create criteria and procedure around referring requests for emergency housing funds; and for the review and approval of such requests.

Definitions

Housing Finance Approval Committee (HFAC) – group that reviews referrals and is charged with determining approval for housing funding; HFAC includes each of the following members:

- a. Administrative Services Director or designee;
- b. Administrator over housing, coordinator, or designee;
- c. DSPD Director, or designee.

Policy

1. Individuals referred from the Department of Health and Human Services (DHHS) will complete the Housing Resource Referral Form, which may be obtained by contacting a member of the housing team. The DSPD Housing Team will prioritize referrals based upon the information provided by the referent.
2. Priority will be based on the following criteria: homeless; loss of housing is imminent; is housed but wants to relocate; or has a housing subsidy voucher that is in jeopardy.
3. The DSPD Housing Team will submit the referral to HFAC for one-time funding in extreme emergency housing cases; these will include documentation that all community and family resources were explored and exhausted before requesting emergency services.

4. The DSPD Housing team may request funding approval for:
 - a. Security Deposit Assistance - most housing assistance programs require a signed lease agreement before any funding is dispersed. If a deposit can be paid and a lease agreement is obtained, then the individual can get ongoing assistance through outside agencies.
 - b. Pay Off Balance Owed, Resulting in Eviction - the situation prevents being housed, resulting in homelessness.
 - c. To pay for a hotel stay that is required during the interim of approval for permanent housing.
 - d. Cleaning services to prevent eviction
5. The DSPD Housing team will determine whether the person was known or unknown to the Division before requesting HFAC review; they will use the following criteria:
 - a. A person on the waiting list is referred to HFAC by the housing team because of a change in circumstances;
 - b. A person who has completed intake, been determined to be eligible for services, is placed on the waiting list, and is referred to HFAC by the housing team;

Procedure - Criteria for One-Time Emergency Funds:
